**1. Welcome and Introductions**

Rayleen Earney called the meeting to order.

**2. Approval of April 18, 2007 Minutes**

Rayleen Earney explained there are two corrections on the first page. The first correction is to add the end parentheses after HealthInsight under Attending Executive Committee Members. The second correction is under Approval of February 18, 2007 Minutes in the first paragraph, to should be corrected as two. On the third page under Public Comment change Bulverde to Boulevard and finally under the same agenda item remove the “s” from awards.

Jennifer Stoll-Hadayia motioned to approve the minutes as amended.

Rota Rosaschi seconded the motion.

Rayleen Earney announced the April 18, 2007 Nevada Diabetes Council Minutes are approved as amended.

**3. Discussion of Logistics and Setting of Agenda for Face to Face Meeting**

Beth Handler thanked Jennifer Stoll-Hadayia for reserving the Brick House at Bartley Ranch Regional Park for the Nevada Diabetes Council Face to Face Meeting. Beth explained she is

waiting to receive Alex Haartz's electronic signature for the letter that will be sent to individuals and organizations inviting them to attend the Face to Face meeting. Beth has asked Partnership for Prescription Assistance to sponsor the lunch for the Face to Face meeting. She is waiting for a response and asked for other contacts and suggestions. Because the agenda is packed and the Council would like to spend a large amount of time focusing on Sub-grantees, what activities are going on in the State, the Competitive Grant and looking towards future projects, Beth suggested the Council remove the Data Update from the July 18<sup>th</sup> agenda. The Burden of Diabetes Fact Sheets will be in the packets that will be handed out to attendees.

Rayleen asked how much time Sub-grantees will have to speak about updates and future projects

Beth stated she was thinking 10 to 12 minutes.

Gwen suggested a synopsis of the CDC Diabetes Translation Conference as an agenda item.

#### **4. Public Comment**

There was no public Comment.

#### **5. Adjournment**

Rayleen Earney motioned to adjourn the meeting.

Hearing no opposition, Rayleen Earney announced the May 30, 2007 Nevada Diabetes Council meeting is adjourned.
