Minority Health Advisory Committee

During the 2005 legislative session, Assembly Bill 580 (AB 580) was passed, establishing the Office of Minority Health. In fulfilling the requirements of AB 580, the Governor must appoint nine members to an Advisory Committee.

When appointing a member to the Advisory Committee, consideration must be given to whether the members appointed to the Advisory Committee reflect the ethnic and geographical diversity of this state.

Members of the Advisory Committee will be appointed for terms of 2 years. The Manager of the Office of Minority Health will serve as the secretary to the committee. Once the Advisory Committee members are appointed, the committee shall elect a chairman from among its members.

If you are interested in being appointed to the Advisory Committee, please submit your name, affiliation, resume/CV and a brief explanation as to why you are asking to be considered for a two year appointment on the Advisory Committee to the following address:

Nevada State Health Division
